CIRUCULAR F&SCM1 OF 2016

TO: UMALUSI SUPPLIERS

NATIONAL TREASURY'S CENTRAL SUPPLIER DATABASE

The purpose of this letter is to inform all prospective and current suppliers of Umalusi about National Treasury's single procurement platform, the Central Supplier Database (CSD).

Umalusi is a Schedule 3A public entity and has to comply with the National Treasury Instruction pertaining to the CSD.

Some motivating factors to be considered by suppliers to register on the CSD:

- Suppliers will only be required to register once when they do business with government;
- A supplier will be able to ensure their data is up-to-date, complete and accurate;
- Standardised and electronic verification of supplier information leading to reduction in fraudulent paper copies and manual processes;
- Supplier will not be required to submit physical tax clearance and business registration certificates to organs of state; and
- Single source of supplier information to all organs of state.

Prospective suppliers interested in pursuing opportunities with Umalusi and within the South African public service are encouraged to register themselves on the CSD. This self-registration application represents an expression of interest from the supplier to conduct business with the South African Government. Once submitted, your details will be assessed for inclusion on the CSD.

The greater the number of suppliers on the CSD, the more individuals and SMMEs have opportunities to benefit from doing business with the South African government.

Whilst all reasonable steps are taken to ensure the accuracy and integrity of the information contained herein, Umalusi accepts no liability or responsibility whatsoever if the information is, for whatsoever reason, incorrect and Umalusi reserves its right to amend any incorrect information.

With effect from 1 April 2016, Umalusi may not award any bid to a supplier not registered as a prospective supplier on the CSD. Quotations may be sourced from non-registered suppliers, but the identified suppliers must be registered on the CSD before orders are processed.

Due to the National Treasury Circular, no new suppliers will be registered on Umalusi's own database of suppliers. All new prospective suppliers are hereby requested to register on the CSD system at the following link: www.csd.gov.za/

Your cooperation in this regard will be highly appreciated.

Yours sincerely

Mrs J Rousseau
