

## UMALUSI SUPPLIER DATABASE REGISTRATION

---

Umalusi Council for Quality Assurance in General and Further Education and Training hereby notifies all prospective suppliers interested in registering as preferred vendors of Umalusi that all new registrations must be done via the **Central Supplier Database** as established by National Treasury by using the following link: [www.csd.gov.za](http://www.csd.gov.za)

National Treasury on behalf of Government has implemented a **Central Supplier Database** to serve as the source for all supplier information for all spheres of government with effect from **1 April 2016**. This initiative is based on principles of simplification, standardization and automation of the supplier management process.

All prospective suppliers interested in pursuing opportunities within the South African government are encouraged to register themselves on the **Central Supplier Database**. The self-registration application represents an expression of interest from the supplier to conduct business with the South African government. Once submitted, prospective vendor application details will be assessed for inclusion on the **Central Supplier Database**.

Vendors already registered on Umalusi Supplier Database and who also registered on the **CSD** must provide Umalusi (**Finance and Supply Chain Department**) with their **CSD** supplier number and unique security code as well as any other relevant documentation (not yet electronically verified by the CSD).

Supplier can access the National Treasury's **Central Supplier Database** on the following web browser <http://ocpo.treasury.gov.za>

All enquiries and registrations can be directed to:

Umalusi

Finance and Supply Chain unit

37 General van Ryneveld Street,

Persequor Technopark

Pretoria
