MOST VISITED PROVINCES IN SA

Study the graph below. List five observations from the graph.

Provincial distribution - Share of foreign tourists

OBSERVATIONS

- Gauteng remained the most visited province with 44.6% of tourist arrivals visiting the province.
- Despite being the most visited province in 2012, the percentage of foreign tourists to Gauteng has declined by approximately two percentage points.

basic education

Department:
Basic Education
REPUBLIC OF SOUTH AFRICA

- Mpumalanga moved to second most visited province
- Western Cape slipped to the third place with
- The Limpopo and the Northern Cape were the only provinces which shows an increase in the percentage of tourist arrivals.

Teaching Tips - Methodology

- Explain key concepts such as **inbound tourists/ foreign market share/ core markets/ source markets/ tourist arrivals/ emerging markets**
- Teach learners the skill to analyse /interpret graph.
- Teach background content to assist learners to interpret graphs
- Teach in context – link to real life value
- Use relevant recent statistics
